

EXPERIENCE

Sheila McDonald is a Partner at Weil & Drage. She has a wide range of experience litigating professional liability, personal injury, insurance coverage and business litigation cases. Sheila's practice includes representing architects and engineers in disputes involving commercial and residential projects. She also counsels clients on complex insurance coverage matters. Sheila has resolved numerous matters prior to trial by prevailing on motions for summary judgment and summary adjudication. She has represented clients at trial and arbitration, as well as before the Court of Appeal. Sheila also has substantial experience in the fields of construction risk management and surety bonding.
