

#### EXPERIENCE

Anthony D. Platt, Esq., is a Senior Associate at Weil & Drage, APC. His practice focuses primarily on the representation of design professionals in a wide array of actions. Anthony has conducted all aspects of litigation, often in complex construction matters, catastrophic personal injury and death claims, delay and cost overrun claims on all types of private and public works projects, including case management, document review/analysis, written discovery, depositions, legal research, motions and briefs, mediation and other ADR, trial preparation, and trial. Anthony has extensive experience drafting and arguing law and motion in both California and Nevada, including demurrers, motions to dismiss, motions for summary judgment/summary adjudication, motions in limine, trial briefs, applications for extraordinary writ, and appellate briefs. Anthony is also a sought-after author for articles.
